

## REPAIRABILITY INDEX CALCULATION AND PRESENTATION OF THE PARAMETERS WHICH ALLOWED TO ESTABLISH IT

Corded vacuum

| Date of calculation                        | 12/10/2022  |  |  |
|--|---|--|--|
| Producer's or importer's name or trademark | INVICTUS ONE  |  |  |
| Producer or importer adress                | Genius GmbH, Im Dachsstück 8, 65549 Limburg / Lahn, Germany |  |  |
| Producer's or importer's model identifier  | SP-001A   |  |  |

This "FINAL\_SCORE" tab in English is purely indicative. In order to meet regulatory obligations, only the "NOTE\_FINALE" tab in French (see the next tab) is to be sent. Note: The results are automatically reported in the French tab.

| Criteria  | Sub-criteria  | Score of<br>subcriterion<br>/10 | Weighting<br>factor of<br>subcriterion | Score of<br>criterion<br>/20 | Total criteria<br>scores<br>/100 |
|---|---|---------------------------------|--|------------------------------|----------------------------------|
| CRITERION 1 :<br>DOCUMENTATION                  | 1.1 Availability of the technical documentation and other documentation related to user and<br>maintenance instructions | 7,3                             | 2                                      | 14,6                         |                                  |
| DISASSEMBLY,<br>ACCESSIBILITY, TOOLS,           | 2.1 Ease of disassembly parts from List 2*  | 8,9                             | 1                                      |                              | 52,9                             |
|   | 2.2 Necessary tools (List 2)  | 8,0                             | 0,5                                    |                              |                                  |
|   | 2.3 Fasteners characteristics parts from List 1** and List 2  | 6,1                             | 0,5                                    |                              |                                  |
| CRITERION 3 :<br>AVAILABILITY OF SPARE<br>PARTS | 3.1 Availability over time parts from List 2  | 0                               | 1                                      | 2,3                          |                                  |
|   | 3.2 Availability over time parts from List 1  | 3,3                             | 0,5                                    |                              |                                  |
|   | 3.3 Delivery time parts from List 2   | 0                               | 0,3                                    |                              |                                  |
|   | 3.4 Delivery time parts from List 1   | 3,3                             | 0,2                                    |                              |                                  |
| CRITERION 4 : PRICE OF<br>SPARE PARTS           | 4. Ratio between price of parts from list 2 to the price of the product<br>ARTS   |                                 | 2                                      | 20,0                         |                                  |
